

# Thinking of Buying or Selling Real Estate? Look at all the HAPPY CLIENTS! You NEED to know Lin.....

“Lin is an **outstanding realtor!** She sold more than one property for us in Pinehurst always quickly, efficiently and at a good price. We couldn't be more pleased.”

“Our experience with Lin was excellent. She was very helpful and responsive throughout the buying process. Lin is **the most knowledgeable agent in Pinehurst** and we highly recommend her if you are considering a home purchase in Pinehurst!”

“Lin was recommended by a close friend as “the best” real estate agent in Pinehurst. We found that to be an understatement - **“the best of the best”** is more definitive of her efforts throughout the process.

“Lin is 5 stars all the way! **-very impressive, masterful, responds immediately, and a fantastic negotiator!** I am from out of state and we were selling my father's home who had recently died. I interviewed 2 other realtors before Lin. Lin was recommended to me by someone who was previously in real estate in the area. Lin came to my father's house, where I was staying, the next day with all the comps, a different kind of analysis that was missing with other realtors and lots of information. **She made me feel like I was her most important client all the time** and that we were selling a million dollar home. That was the kind of attention I received from her. **She is first class as a realtor and her staff is as well.**”

“Lin and her team were first class all the way through the process. She has a strong presence in the community and actively markets her listings more than any other local firm. She and her team coordinated the contract and closing process seamlessly. She certainly has the **respect of the brokerage community.** Truly, **she and her team are experts and great people.** We are so fortunate to have worked with her.”

“If you are looking for an agent to sell your home in Pinehurst, look no further. Lin has **extensive knowledge of the area and a great marketing strategy.** She is always available to answer any questions, and is a pleasure to do business with. After a failed first attempt with a different agent, Lin took on our listing just after Thanksgiving and sold the house by mid-January. Apart from her expertise, she is a hard worker who brings an **abundance of positive energy.**”
